

What to do in case of a fire alarm:

Leave the library immediately by the marked emergency routes and use the nearest exts. In this site plan, emergency exits and staircases are highlighted in red.

Proceed immediately to the evacuation rally point in front of building 8 (green sign)!

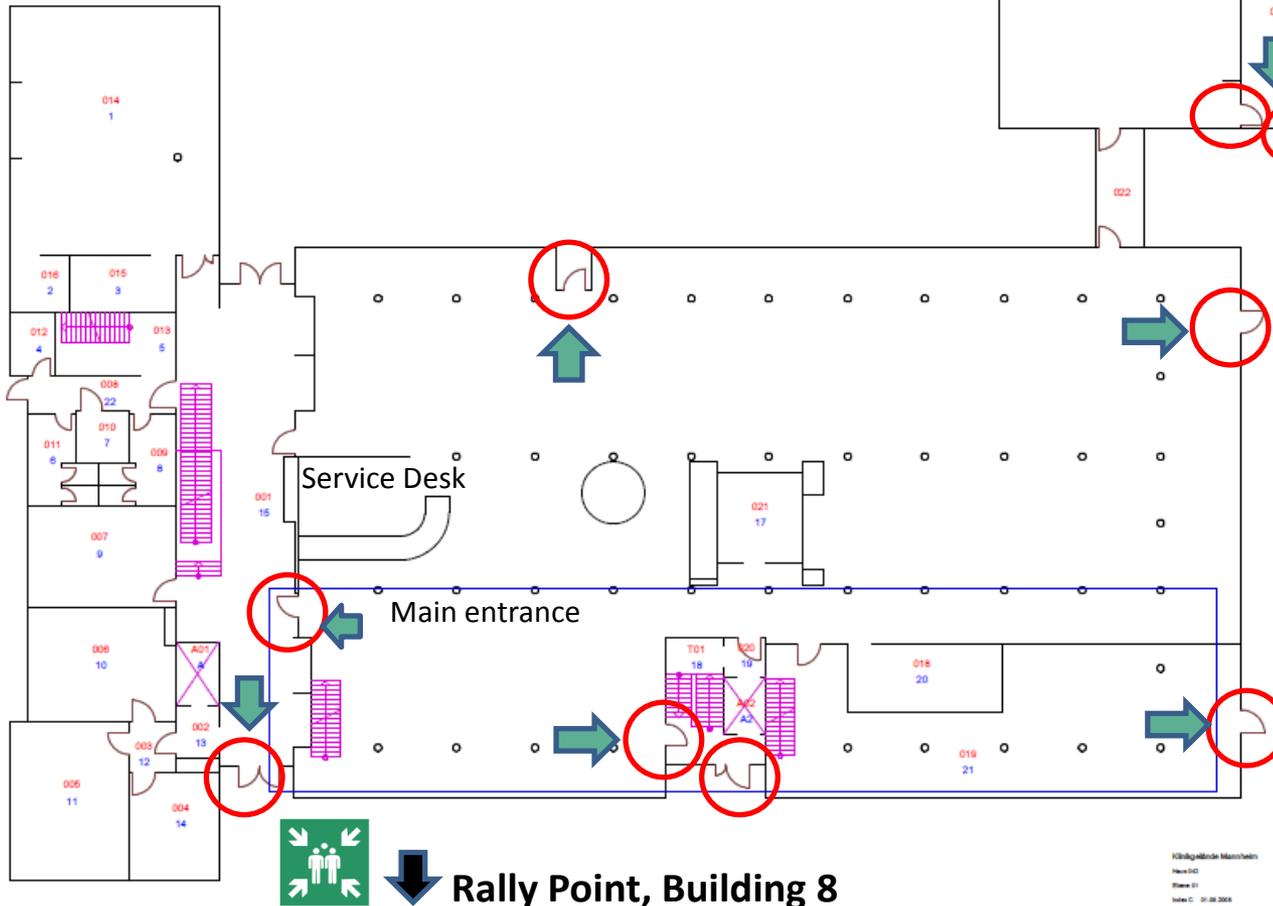

L18: Proceed via the staircase to the exit on the ground floor

Extension Building, Upper Floor

L17:

The door leads to the roof of the passageway between extension building and main building, where you will be assisted by the firefighters.

Emergency Routes (Library, Building 42)
